

Special Announcement for

Teachers Wanting To Take Technical Updates for College Credit

The SkillsUSA Virginia Foundation, working in conjunction with your professional organization, Virginia Association of Trade and Industrial Educators (VATIE), has arranged for special technical updates for all instructors. The three-hour credit class will be offered by Blue Ridge Community College (BRCC) and can be used for teaching certificate renewal (90 points) subject to your LEA's approval. The technical updates will be conducted in conjunction with your VATIE Summer Conference.

The cost of the course, payable to "SkillsUSA Virginia Foundation," is \$645.00 for in-state residents. Please email or call for out-of-state residents cost.

Please contact Dr. Lee Ross (lross@skillsusa.org or 804-405-8686) for additional information.
