**2020 VATIE Professional Development Conference Status: CANCELLED**

Friday, April 17, 2020

The VATIE Executive Board is deeply concerned for the health and safety of our members and event participants. Local, state, and national leaders continue to take necessary actions to minimize the impact COVID-19 has on our communities. Due to the continued uncertainty related to each school districts' response to the pandemic, we have made the very difficult decision to *cancel* the *2020 VATIE Professional Development Conference and all classes associated with the conference* that were scheduled for July 25<sup>th</sup> – August 3<sup>rd</sup>, 2020 in Williamsburg, VA.

VATIE is already starting to plan for the 2021 conference, we hope to have details about the event in the near future. Ultimately, we look forward to seeing everyone in safer, healthier times!

Please check our website, <http://www.vatie.org>, for updates as they become available or to contact us.
