(9 hours)	This assignment may be performed prior to or within one week after the virtual class concludes	Enrollees will be required to supplement the 36 in-class hours with one additional assignment and submit a report explaining what you did and what you learned.	You have several options – (1) complete a task(s) in your classroom that you have been wanting to do	(2) visit a colleague(s) to see what they do that you may want to incorporate into your classroom	(3) visit an establishment(s) related to your instruction
A three (3) hour college credit class requires 45 hours
